HARVEST

Grapes were selected from 46-year-old vines on our Basse Provence estate in Franschoek, the vineyard yields only 3 tonnes / ha. The Chenin Blanc grapes were harvested by hand between 22.5° and 23.4° Balling with good harvesting conditions throughout and the drought effecting yields.

WINE MAKING

Fermentation took place in a stainless steel tank at 12.5°C and lasted 25 days. 10% of the wine was barrel fermented in older oak and left to age for 6 months in an oak Foudre. The wine was left on its primary lees for six months and stirred three times a week to enhance flavours and mouth-feel.

WINEMAKER'S NOTE

Inviting aromas of pineapple, guava and white peach with underlying floral and green fig notes. A full, rich palate of tropical fruit, citrus and spice leads into a long fresh honeyed finish.
